our first way to start boosting our paypal balance is a long established survey site although branded surveys is based in the us and pays in it s open to uk residents too you re awarded points for every survey you take which can then be converted into paypal cash or other payment methods like gift cards

**many businesses handle transactions using a paypal business account and take payments for goods and services through f f even though you re technically not supposed to the buyer might not realize the difference or care or the business and the customer could agree to send cash that way to avoid seller fees this is fairly common in many informal transactions like people selling things on social media platforms perhaps the buyer knows the seller personally and trusts that they ll deliver sometimes sellers insist on f f to avoid transaction fees which causes problems if something goes wrong down the line**

**the paypal money generator is a great tool for those looking to generate a steady flow of income with this tool you can generate virtual money and then transfer it to your paypal account you can also use the money you generate to purchase products online or send money to friends and family**

another app that s ideal for people who find themselves pressed for time you will be sent two types of pulses money and xp completing a money pulse will earn you cash and an xp pulse boosts up your level as you move up levels the more you earn from money pulses

another mystery shopping app just reserve a mission that takes your fancy visit the shop in question and complete all the questions once your experience is reviewed and confirmed you ll receive your payment

another app that s ideal for people who find themselves pressed for time you will be sent two types of pulses money and xp completing a money pulse will earn you cash and an xp pulse boosts up your level as you move up levels the more you earn from money pulses

moving away from receipts but staying on the shopping theme another app to consider is streetbees this is a mystery shopping lifestyle app you ll sometimes be asked about the kind of food you eat the products you use around the home or what kind of things your pets like doing for these various tasks you ll be paid cash
