for example if you have a group with twenty individuals and you send a snap to that group you will get twenty points for that one snap take advantage of this strategy numerous times to watch how quickly your snapchat score grows or how many high scoring snaps you ve sent out this is how to increase your snapchat score without spamming

for one thing the score you see is rarely 100 accurate like reddit snapchat intentionally obscures their scores to keep people from abusing the system that s why it s so hard to figure out how the system actually works the score you see will naturally fluctuate very slightly

this article explains how you can increase your snapchat score on a basic level snapchat score goes up when you snap people so you are going to need snapchat friends and more importantly you ll need snapchat friends you communicate with a lot unfortunately there isn t a good way to increase your score by yourself

one is required to earn more points every day to get the highest snapchat score to earn more points every day you need to send and receive snaps more often but this is a frustrating process for someone who is receiving snaps from you to avoid this you need to follow the celebrities who have a huge fan following on snapchat

hopefully the above methods helped you to increase your snapchat score it s not too difficult to get a higher score on snapchat if you have any other method in your mind that can increase the snapchat score then please let us know using our comment section

by the way be wary of third party apps or websites that claim to sell or boost snapchat scores it s a total waste of money because they cannot genuinely boost your snap score besides doing so could get your snapchat account locked or banned the genuine and faster way to increase your snap score is to increase interactions with your friends and snapchat more frequently

the snapchat users have to add their friends and family to the application now they both can send each other a photo or video of what they are doing within the time duration of 24 hours after 3 days a fire emoji and number count as like 3 can be seen in front of the name of the person that means you both are making a snap streak and your streak score is 3 and you can raise it by making a streak regularly
