at the moment many internet radio stations prefer this software to other alternatives to spotify for broadcasting therefore you can listen to many radio stations offline you can also create your own personal playlists and listen at any time convenient for you

intermittent ads cause a lot of trouble while using any app so if you use free spotify you will see advertisements in the middle after 4 5 songs while listening to the songs but this does not happen at all in premium you get an ads free experience

once your enrollment status has been verified you ll be able to subscribe to spotify premium at the discounted rate of 50 off the regular monthly price the discount is available for up to four years as long as you continue to meet the eligibility requirements
